The voting roll is open for inspection at the school and can be viewed during normal school hours. There will also be a list of candidates' names, as they come to hand, for inspection at the school.

Strike

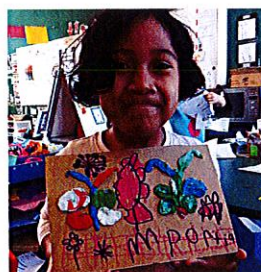

As you will have seen in the news the NZEI will be taking further strike action this time in conjunction with the secondary schools unions as negotiations with the government over funding continues to stall. The school will be **closed on Wednesday 29th May**. We thank you for your ongoing support of the teachers during these negotiations. We will be working with the Albany pools to see if we can do a catch up day, at a later stage, for the Junior school swimming which will be missed due to the school closure and will let you know once arrangements have been made.

Playground

You may have noticed some work being done on the field playground, this work is now complete and the playground has been given a wee makeover. Late last year the Board voted to have the playground upgraded to ensure its ongoing safety along with adding a sun shade which will be installed in the coming months. This project was partially paid for by a small grant from the Birkenhead Licensing Trust and Board fund and we are so pleased to see the children already getting so much use from the newly renovated equipment.

Room 15

In Room 15 we have been learning about mini beasts . During Term 1 we enjoyed watching the Monarch Butterfly cycle in our classroom . It was very exciting watching a butterfly escape from his chrysalis in our classroom. This term the children have been enjoying going on the bus to their swimming lessons at Albany pools . We have also been learning about kindness and being a good

friend .
