

Thursday 27th June 2019  
Term 2 , Week 10

Learning Celebration and Dance performance tomorrow starting from 9.15 am. The performance is the culmination of our students two week dance intensive and it would be lovely to see you there. You may take your child/children home afterwards if you wish.

Have a safe and happy holidays everyone. We look forward to seeing you all back for Term 3 on Monday 22<sup>nd</sup> July.

## Room 1

Room 1 has had a great term 2. We spent time learning about Healthy Food choices and understanding food packaging. We went on a trip to New World to put our learning to the test and the kids had a great time finding nutritious options. Fun fact: Star Fizzy Drink has 33 teaspoons of sugar in each bottle!

We are now in the middle of learning about Matariki. We have set goals for the new year, done art, researched the stars, and finishing the learning with a shared kai.

*Matariki fact: Hiwa-i-te-rangi is the youngest star. She grants the wishes of your heart and helps us realise our aspirations for the coming year.*

Goodies this week...

Ellis Liakimatagi Room 4  
Mackenzie Ryan Room 16  
Neve Fernandez Filloy Room 4

## Breakfast Club

We are looking for a few people to help take over the breakfast club duties from 8.30am on Tuesdays, Wednesdays and Thursdays for the rest of the school year. This would involve serving the children and cleaning up the kitchen area. If you think you could help on one of these days please email me on [trudi@beachhaven.school.nz](mailto:trudi@beachhaven.school.nz) or let the office know. Thank you

## PhotoLife

Your child will have brought home their Photolife envelope this week. Payments must be made before the photo shoot on Friday 26<sup>th</sup> July (This is the first week back of term 3). Payments are made directly to

Photo Life in cash, Online directly or by credit card as per

the envelope's instructions. We do not offer eftpos as payments please go through Photolife.

The envelope with your child's details needs to come back to the office.

Sibling portrait forms are available from the office.

Only children who have paid will be individually photographed.

## After School Care Assistant

We are looking for someone to join our After-School care team from 3 – 4 pm Monday – Friday. There may be an opportunity to increase hours going forward and some relieving as needed. Please see Claire in the office if you are interested.

## PROTECTING OUR PLANET STARTS WITH YOU

### BIKE MORE DRIVE LESS

### reduce REUSE recycle

Cut down on what you throw away. Follow the three "R's" to conserve natural resources and landfill space.

### choose sustainable

Learn how to make smart seafood choices at [www.FishWatch.gov](http://www.FishWatch.gov).

Trees provide food and oxygen. They help save energy, clean the air, and help combat climate change.

PLANT A TREE

### EDUCATE

When you further your own education, you can help others understand the importance and value of our natural resources.

### CONSERVE WATER

The less water you use, the less runoff and wastewater that eventually end up in the ocean.

Buy less plastic and bring a reusable shopping bag.

Don't send chemicals into our waterways. Choose nontoxic chemicals in the home and office.

### Volunteer!

Volunteer for cleanups in your community. You can get involved in protecting your watershed too!

Long-lasting light bulbs ARE A BRIGHT IDEA

Energy efficient light bulbs reduce greenhouse gas emissions. Also flip the light switch off when you leave the room!
